I certify that the above information was obtained from school records kept in the regular course of business, which were recorded at or near the time of the act, condition, or event. I am filing this Progress Report instead of requesting court action because:

- ☐ the actions taken by the school/district have **resulted in an improvement in the Student's attendance** but the student has yet to attend regularly, OR
☐ the school/district is **continuing with interventions in place, that are likely to remove barriers to improved attendance, as noted in 2.1 "next step."**

The Petitioner is *not requesting additional court intervention at this time*. I declare under penalty of perjury under the laws of the state of Washington that the foregoing is true and correct to the best of my knowledge. (If the Petitioner is requesting additional court action, do not submit this Progress Report, contact your DPA instead.)
